**We make blinds to our own specification. If you are unsure how our blinds are finished, please refer to our product manual or ask us before placing an order to avoid any mismatch expectations. You should get a reply invoice from us within 3 days of placing your order. Please call us if you have not received it. It will confirm all your order details and will give you an estimate delivery date and deposit required.**

Blind Style Code	Quantity	Room Ref. **Blinds deductions required: Width Y / N - Drop Y / N** (Reveal width: minimum 10mm; Drop: 10mm – 20mm depending on drop length and material)

**Special requirements:**

#1 Standard formula to calculate Panel Width=Total Width/ No Panels + 50mm. This is done by us. You only have to give us the total width and how many panels you would like.  
 #2 This is the panel drop only, excluding the track. ie, from the top of the Velcro to the bottom of the panel.
